Venus and Adonis is a narrative poem by William Shakespeare published in 1593. It is probably Shakespeare's first publication. The poem tells the story of Venus, the goddess of Love; of her unrequited love; and of her attempted seduction of Adonis, an extremely handsome young man, who would rather go hunting. The poem is pastoral, and at times erotic, comic, and tragic.

In the summer of 1592, an episodic outbreak of the plague swept through London. Theatres were among the public gathering places to be shut down. William Shakespeare decided to stay in London rather than follow a theatrical company on tour.

A composition of Venus and Adonis by the Venetian Renaissance artist Titian has been painted a number of times, by Titian himself, by his studio assistants and by others. In all there are some thirty versions that may date from the 16th century, the nudity of Venus undoubtedly accounting for this popularity. It is unclear which of the surviving versions, if any, is the original or prime ...

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of
the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.
